ABOUT THE COLORADO SYMPHONY

The Colorado Symphony Association is the region's only full-time professional orchestra committed to artistic excellence and ensuring the future of live, symphonic music. Performing over 150 concerts annually at Boettcher Concert Hall in downtown Denver and across Colorado, your Colorado Symphony is home to eighty full-time musicians, representing more than a dozen nations, and regularly welcomes the most celebrated artists from all genres of music. During the COVID-19 health pandemic, we worked to safely produce over 50 concerts with and without audiences, including: 18 Red Rocks Park and Amphitheatre performances, two large scale virtual community benefit concerts, and dozens of small ensemble concerts performed in numerous outdoor venues like the Denver Performing Arts Complex Galleria, Denver Zoo, and Denver Botanic Gardens. Virtual #PlayOn campaigns garnered 2 million views between our Virtual Music Hour, Weekly Replay, From Home Concerts, and MusiCurious Instrument Interviews. Recognized as an incubator of innovation, creativity, and excellence, your Colorado Symphony continually expands its impact through education, outreach, and programming. We partner with the state's leading musical artists, cultural organizations, corporations, foundations, sports teams, and individuals to expose diverse audiences to the power of symphonic orchestral music.
