ANNOUNCING BATMAN IN CONCERT WITH THE COLORADO SYMPHONY

*Experience the iconic 1989 DC Superhero film and Danny Elfman's score performed live
at Boettcher Concert Hall on July 14, 2023*

May 17, 2023 – Denver, CO – The Colorado Symphony and **TCG Entertainment**, a leader in live entertainment and touring productions, in conjunction with **Warner Bros. Discovery Global Themed Entertainment**, today announced “Batman in Concert with the Colorado Symphony,” coming to Denver’s Boettcher Concert Hall on July 14, 2023, conducted by Jacob Joyce.

Warner Bros. Pictures’ iconic DC Superhero film “Batman”, featuring Michael Keaton, Jack Nicholson, and Kim Basinger was released June 23, 1989. The Dark Knight, defender of law and order in Gotham City, treads the shadow zone between right and wrong, fighting with only his skill in martial arts and his keenly honed mind to defend the innocent and to purge the memory of his parents’ brutal murder – always keeping his true identity as millionaire philanthropist Bruce Wayne a closely guarded secret.

Experience “Batman” with a live orchestra while the full film is projected on four large screens. “Batman in Concert,” a live-to-picture performance, provides the perfect opportunity to revisit a classic fan-favorite film based on one of the world’s most popular DC comic characters, or to introduce it to a new audience. Guests are encouraged to dress up as their favorite DC Superhero. Please note that “Batman” ’89 has a PG-13 rating and runs for approximately 2 hours.

“Danny Elfman’s score for ‘Batman’ is one of the most exciting and effective film scores ever composed,” said Anthony Pierce, Chief Artistic Officer for the Colorado Symphony. “In recent years we’ve performed many of Elfman’s works and we’re thrilled to bring this fan-favorite film to Boettcher Concert Hall while bringing his incredible score to life on stage.”

Single tickets for “Batman in Concert” are available now. For concert descriptions and ticket information, please visit coloradosymphony.org or call the box office at 303.623.7876.
